### Chromastics Line of Haircare Products

#### Chromastics, Sulfate-Free Shampoo

A gentle cleanser for all types of hair.

Key ingredient: Sunflower seed extract.

Dispense desired amount of shampoo into your palm, emulsify by rubbing hands together and apply to wet hair. Lather, rinse and follow up with chromastics conditioner.

#### - Chromastics Conditioner &dash; Light

Designed for average to moderately stressed and chemically treated hair.

Key ingredients: Sunflower seed extract, Wheat and Rice protein.

Dispense desired amount into your palm. Rub your hands together and apply to shampooed hair. Leave in at least 1 full minute for optimum results, then rinse.

#### - Chromastics Conditioner &dash; Extreme

Designed for seriously distressed and overprocessed hair.

Key ingredients: Sunflower seed extract, Macadamia glyceride.

Dispense desired amount into your palm. Rub your palms together and apply to shampooed hair. Leave in 2 to 3 minutes for optimum results and then rinse.

#### - Chromastics Leave-In Protector and Shine

Designed to provide shine and protect against sun fading.

Key ingredients: Sunflower seed extract, Wheat and Rice protein and Macadamia glyceride.

Hold 6 to 8 inches from wet hair and spray evenly over the entire surface. Allow hair to dry naturally or style as desired.

-  
Chromastics Repair Light

Designed for moderately stressed and chemically treated hair. Excellent for split ends plus creates shine.

Key ingredients: Sunflower seed extract, Panthenol (Pro-vitamin B5).

Dispense desired amount of product into palm. Rub palms together vigorously and apply evenly throughout wet or dry hair where needed. Excellent prior to using a curling or flat iron.

-
